Mike made a motion to accept the agenda, Lynn 2nd the motion. Motion carried.

Minutes were read by Mary Bulthuis. Gilbert moved to accept the minutes and 2nd by Mike, Minutes were approved.

Treasure report was given by Ron Bulthuis since Duane DeWenter could not attend. We have a balance of \$1645.47. There are 24 members. Discussed the new web site and the cost will probably be down \$200.00 The cost for membership to the Corvette Museum will also be eliminated next year. Deb made a motion to accept the treasure report and it was 2nd by Arnie. Motion carried.

OLD BUSINESS

Website: We will no longer use the old calendar software of Calendar Wiz. The calendar will be Google. The Google calendar will be updated and members can access it from the web site. Dave is going to look into the calendar for mobile devices. There was discussion on the calendar's ability to send reminders to members of upcoming events. Dave will look into it. Dave would like to see the word Corvette in the web site name. Now it is CMCA. He will check to see if he can change it. Several members said that in searching for Corvette Clubs there really didn't seem to be a problem. Our site did come up. Dave said that the web site could be where new members could fill out forms and pay dues.

There will be a place for membership data and it will be password protected.

Dave put pictures on the FB page from back in 2004. He would like to see us use Flickr as it is easy and there would be a link on the web site. That would be open to the public so that potential members could see the events, etc that the club does throughout the year. The thought is to put the pictures into albums for a cleaner look.

Discussed raising the dues however after discussion we decided that there was no need at this time.

SPONSORSHIP:

The question was asked if we could have more than one associate sponsorship. There was much discussion. It would give us more name recognition and possibly more members. There was discussion on having associate sponsors that would educate members on the merits of a Corvette. Also it was discussed if we should be supporting National Corvette Assoc and other national organisations. We tabled it until the Spring meeting.

Reviewed the 2016 Calendar and felt that we needed to continue the Sunday night runs. There was a question about having it Saturday or Friday which is fine. Sometimes Sunday does not work for some events ie: wine places or breweries.

We will try to put together a brochure of our club to have at dealerships.

By-Laws:

Some discussion on terms of President and Vice. Dave felt that the changes being made to the web site, etc- may take longer than the two year terms. Mike also said he would NOT have the expertises to continue. There was discussion about having a "web master" and then the President position could continue in a two year time slot. It was tabled for the Spring Meeting.

Mike made a motion to adjourn, 2nd by Gilbert and it was carried. Adjourned at 2:50pm
Several members went on a run to Russell's for dinner.
