- Old Business:
- NCCC Update Lynn Steenblock
 - Apparel update provided by Jane Dewenter. Henry's in Foley provided an example of clothing and have been recommended as new provider for apparel. They will set up an online store with our current shirt and other items selected by Mary and Jane. Store will be up for two weeks, items will be created and can be picked up at Henry's. Details to follow. They prefer to do multiple items, but will do one-off items (including those provided by individual). Logo cost is \$15 on top of item cost. They can ship items, at additional cost. If someone wants to go to Centennial Sports our current vendor, they do have logo as well. Although, historically service has been slow.
 - The scheduled events for summer were discussed. At the Spring meeting there will be a concerted effort to get events on the calendar.
